FY 11 grant has not been closed yet.

Good suggestion in checking with Paul. I will give him a call.

Okay. I will look in IGMS and see what I can do. Have you talked to Paul Koprowski on the PPG side? If he still have record on his PPG, that will help a lot. I just talked to Kathy TC and she told me if the grant is closed, then the file is already archived.

Nora, the grant number for 2011 is C9-000451111 and for 2012 is C9-00045112. Let's not worry about 2010.

Can you get me the numbers by COB today or sometime tomorrow?

Thanks for the info regarding 13 and 14.

You Rock!

Alan,

I don't have any records from FY10 – FY12. Also, FY10 & FY11, the agency migrated from IFMS to COMPASS. Do you have the grant numbers and when do you need these info?

Here's the breakdown for FY 2013 and FY 2014:

PPG	OR	
FY 2013	\$1,301,492	\$756,508
FY 2014	\$1,340,537	\$764,463

Nora,

Can you get me the breakdown (PPG vs. Implementation funding) on how DEQ used its 319 awards in FY 10- FY14? Your help would be greatly appreciated.
